

How to Get the Right Bike Fit with our Ciclismo Bike Measurement System

To fit you with the correct bike size with the seat adjusted the way you like it, please provide us with the following:

1. Your height and inseam
2. Measure your current bicycle:
 - A. Center of your bike's crank to the top of the saddle
 - B. Tip of saddle to handlebar
 - C. Handlebar to the middle of your wheel (the hub)
